RED CARPET HAIR: Inspiration, Tips, and Transformations

New York, NY—Timothy C. Johnson, a freelance hairstylist, and Ultimo Press announce the release of **RED CARPET HAIR: Beautiful Hairstyles For Special Occasions**, a photo book filled with stunning hairstyles, valuable tips, and amazing transformations. **Red Carpet Hair**, a 160-page glossy, hard cover book, \$29.95, will be available **November 15, 2011** on Amazon.com and BarnesandNoble.com.

“There are occasions in a woman’s life when her hair must look its absolute best -- and most of the time she’s unsure what to do with it,” says Johnson. After years of being asked for a hairstyle book, the idea came to Johnson to create one filled with a variety of modern and elegant hairstyles for special occasions.

The models are from all over the world and of all ethnicities. Each model has numerous styles, which will show women a great range of looks. “I started with the classics and also mixed in some fashion forward hairstyles,” says Johnson.

RED CARPET HAIR is a book of ideas to be interpreted many different ways. The photographs were taken specifically for this book and have never been published before. It is a great reference book women will turn to again and again for tips and inspiration.

Timothy Johnson is a freelance hair stylist and makeup artist whose creations have appeared in numerous publications including Vogue, Vanity Fair, In Style, and O, The Oprah Magazine.
